NATIONAL ENVIRONMENTAL POLICY ACT (NEPA) ENVIRONMENTAL CHECKLIST (EC) AND EC REVIEW FORM - JEE-0093-92

Enclosed is a copy of a NEPA EC for the Rocky Flats Plant (RFP) that has been reviewed by the plant NEPA Compliance Committee (NCC). The NCC, along with the Plant's Ecology and NEPA Division, has recommended a Categorical Exclusion (CX) for the project listed below, and a draft CX is enclosed for your use. Also enclosed is a diskette with the information for your convenience. This project is funded by Environmental Restoration and Waste Management (EM) and appropriate signatories have been indicated on the CX.

EC7191

Site Characterization Field Work for OUs 3, 4, 7 and 9

Please note that this EC is a modification of an EC with the same number that was approved by NCC and transmitted to you January 10, 1992. The only difference between this version of EC7191 and its predecessor is the addition of OU 7 to the field work projects. Revised floodplain documents, in response to the requirements of 40CFR1022, have been sent to you previously.

Please provide a NEPA determination for this project. Contact Steve Nesta, Ecology and NEPA Division, on 273-6076 or Kathy London, Ecology and NEPA/Environmental Documentation, on 273-6189, if further information is needed.
